Letter from the Principal

Hello LHS students

My second year at LHS has already been memorable. The heatwave and the flood made this a busy opening for all of us (this was my second school to flood; I think I am bad luck). But now that we have things going we can all look forward to the usual things we enjoy in Blue Devil Nation, such as Homecoming, the Thanksgiving Pep Rally, Spring Carnival, and graduation.

In this yearbook we will try to memorialize all the great things that we do. From plays to music to athletic to a wide array of clubs, all of the things that make LHS fun (not that Geometry and Chemistry aren't fun, but I think you know what you mean). Thirty years from now you can flip through this book and reflect on the hairstyles, clothes, and all the inside jokes you may or not remember. And I hope that those memories are good ones for you.

Enjoy

Dr. Josh Romano

Letter from the Director

Dear LHS/CTEi students,

I can still remember my student life in school and that was forty years ago. My how the time fly's by. I am sure we all have mixed feelings on this day which include joy and maybe sadness for some. On one hand you feel enthusiastic as you step into a completely new and different world where you will have more freedom than you had in school life. On the other hand you will feel sad that you have to depart from your fellow classmates, teachers, and yes, maybe even the Dean's and Administrators;)

The institution has given you an excellent academic and vocational education providing you with the necessary tools, skills, ethics, and values to be successful. My hope for each of you is that you will use these skills efficiently and effectively as you step into a new and highly competitive world full of opportunities. Your intellectual potential makes you capable of achieving your ambitions using will power, effort, and determination.

The time has come to bid you all farewell to this excellent institution that protected you, cared for you, supported you, and guided you all these years. Students, thank you for being an important part of this institution. Life is a journey full of expectations, joys, fantasies and even some sad moments. As you stand at the threshold about to step into a completely new world filled with enthusiasm, hopes, and dreams, keep dreaming until you fulfill your dreams.

I wish you all a successful life. I wish you all the very best things in life, love, happiness, and health.

Mr. Daniel Bachant, CTEi Principal/Director

Letter from the Advisors

To the Class of 2024,

When your journey at Leominster High School began in the Fall of 2020, life was anything but normal. We were in the midst of a global pandemic, the school year began 100% online, and many of you didn't even set foot in the building until April of 2021 - or for some, the fall of your sophomore year! Masks were mandatory in school, and for a while even in sports as well. Class events were nonexistent, fundraisers were challenging to conduct, and attendance at sports games was prohibited. It was very difficult to settle in and find your way in a new building, with new teachers and many new classmates too, when so much of life was not "normal" like you were accustomed to.

However, as a group, you persevered. You navigated your transition to high school with grace and poise. You overcame every curveball that was thrown your way. And then, slowly but surely, restrictions were lifted and things started to open up. Extracurricular activities were back: you pursued your talents in the fine arts, you joined athletic teams and played your favorite sports, you signed up for clubs to explore your interests, and so much more. School events like musical performances, theatre productions, sporting events, winter carnivals, and spirit weeks were bigger than before! Now here we are, with Senior year flying by. Events like proms, pep rallies, and PowderPuff have all come and gone, and you are in the process of preparing for what comes next. We hope you have enjoyed the experiences that high school has given you, and cherish the history that you have made - both the little things and the big things. Most recently, and perhaps one of the most memorable events of all, you became the first ever class at Leominster High School to play their Thanksgiving football game at Fenway Park! From the football team, to the cheerleaders, to the band, to the fans, it was a great and special night for all, one that will not be forgotten.

It seems impossible now that your time here has passed so quickly, and we are writing to you as upcoming high school graduates! June 1, 2024 once seemed so far away, but it has come faster than any of us could have expected. As the end of your time at LHS approaches, we encourage you to reflect on the lessons you have learned and the memories you have made here. Together, you have overcome numerous challenges, grown more than you ever thought you would, and hopefully even learned a thing or two along the way! You have made an indelible mark on the Leominster High School community, and your contributions to Blue Devil Nation will always be remembered.

Regardless of what your future plans are, we wish you the best of luck as you embark on your next adventure and find your way in this world. Know that if you are willing to work for it, you can accomplish anything you set your mind to. Find your passion, chase your dreams, and believe in yourselves. And don't ever forget that you have plenty of people in your corner, cheering you on and ready to support you when you need it. This life is yours, and it is full of opportunities. Seize them, cherish them, and make the most of them - always.

We are so proud of each of you, as you should be of yourselves as well. It has been a pleasure being your Class Advisors these past four years, and getting to know so many of you in a variety of ways - whether in the classroom, the hallways, the student government arena, on the athletic fields, or elsewhere. We have loved working with you, learning from you, coaching you, and mentoring you, and we can't wait to see what the world has in store for you in the years to come. We may not know what the future holds, but as coaches who believe in the value of lessons that can be learned through sports, one piece of advice we can leave you with (from the age-old baseball classic "The Sandlot") is to, "Follow your heart kid, and you'll never go wrong". No matter what path you choose to take, Leominster High School (and the three of us!) will always be here to support you. Congratulations, graduates! The world is yours - and
we can't wait to see what you do with it! Best of luck!

Behind every great school is a caring school custodian

Edward J. Whalen

December 8, 2005 - February 23, 2021

Surviving the loss of a child. My greatest love is now my greatest sorrow. A child loss is a loss like no other. A bereaved parent "good days" are harder than you can ever imagine. There will never come a day, hour, minute or a second I stop loving or thinking about my son. I will grieve for a lifetime. There is no "moving on" or "getting over it" there is no bow, no fix, no solution to my heartache. There is no glue for my broken heart, no going back in time. For as long as I breathe. I will grieve and ache and love my son with all my heart & soul. There will never come a time where I won't think about who my son would have been or what he would look like today.

Always & forever in my broken heart.

Jadon Etheart

May 31, 2006 - January 22, 2020

Jadon, Even in the short life you lived, I'm so proud of the young man you were. I loved watching you playing all your sports. And, also, loved watching the bonds you formed with family and your friends blossom. You have many friends who still love and miss you. You've left a positive mark on me and so many others. There are so many forms of love in the world and the blessing of having you, and the sadness of losing you leaves me to realize we have all experienced true love. I miss you son.

Love Always, Mommy <3

Parent letters

You're off to great places, today is your day.
Go show the world how wonderful you are.
Forever your biggest fans.
Love Mom and Dad

Alyson Smith

Ashley, we are all so proud of you! You had a hard year but have also had some amazing experiences. I hope you look back on this yearbook and remember how hard you worked to get here and how deserving you are. Don't ever loose your unbreakable strength and determination. Lili, I have been proud of you every step of the way. I know you will continue to be courageous and kind throughout your life. Always remember to create your own path, it's often the one less traveled that is most worthwhile. Love, Mom

Tatyana Wolfe

Taty – You made it! You are graduating from High School and are on the precipice of your next chapter. You have experienced more challenges and adversity in your short life than many do in a lifetime and still, you meet the day with positivity, grace, and kindness. To say we are proud of you would be an understatement. Your strength, fearlessness, compassion, empathy, maturity, and grit are inspiring to us, and all who are lucky enough to know you. We celebrate you and your accomplishments every day, but especially now as we approach the culmination of your high school career and excite in anticipation as you embark on your next adventure as a college student. We are very excited to watch you continue to grow into the remarkable woman you are destined to be. We love you very much and will always be your biggest cheerleaders and support system. – Love your Crazy Family!

Congratulations, Alyssa and Evan! We are so proud of you and all that you have accomplished. Since we moved here during the third-grade year, you both have made many friends and thrived more than ever! You have done excellent in your academics and extracurriculars, and you have also put time aside for friends and work. Since birth, you two have always been in competition with each other. From that, you both developed, unbeknownst to you, the qualities you now possess that will take you forward to succeed in life: Resilience, Compassion, Adventure, Diligence, Dedication, and Leadership. You can do whatever you set your mind to, and do not let anyone tell you otherwise. We have loved watching you grow into the young adults you have become and cannot wait to see what your next chapters bring!
Love, Mom and Dad!

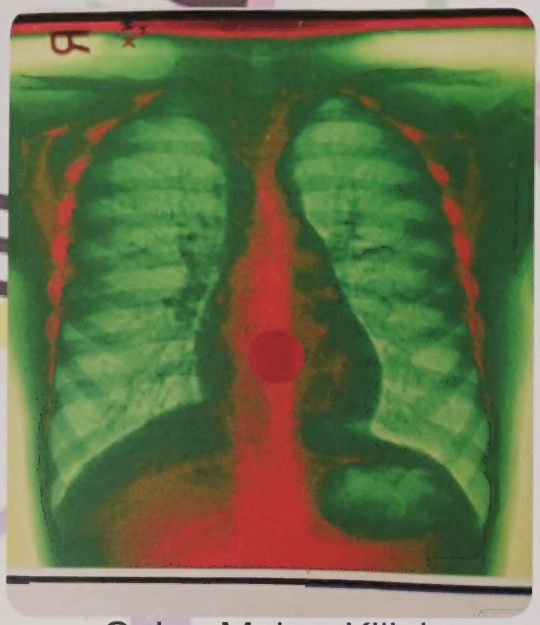
Natalie Contreras

"You are my greatest achievement, Natalie. I believe in you and know that you have the strength to conquer anything that comes your way. Always remember that you are loved, cherished, and capable of achieving greatness. I am here to support you every step of the way. But remember that true strength lies not only in physical power but also in kindness, empathy, and integrity. Be strong in character and let your actions inspire others. And lastly embrace the challenges that life presents, for they are opportunities for growth and self-discovery. Trust in your abilities, stay true to your values, and never stop learning. Know that well-behaved women never make history. Love you so much. And I'm beyond words that can describe how proud I am of you. Congratulations!"

To my amazing senior, your genuine and imaginative nature is truly inspiring. Your kindness and concern for others make you truly exceptional. Wishing you all the best as you embark on the next chapter of your life. You have a bright future ahead of you! Lots of love, Mami

Isaiah Ruiz



Quinn, watching you grow has been one of the greatest adventures that we could have ever imagined. You constantly keep us on our toes, and never cease to surprise and amaze and impress us. We are unbelievably proud of you. Love you very much, Mom and Dad

To say that I am proud of you is an understatement. Watching you grow into the amazing young man you have become has been a blessing.
High School has now come to an end, but this is purely the beginning of a new chapter in your life. Continue to set goals throughout your life, keep a positive mindset,
and follow through on your commitments. You will do amazing things and accomplish the unimaginable! Congratulations! I love you. – Love Mom

Congratulations,
We are so proud of the young women you have become. You have grown into such a beautiful person, inside and out. You've had your challenges but you over came them with maturity and self-determination. Keep reaching for those stars and may college be your best year yet. We are all so proud of your hard work and dedication. Remember you can accomplish anything you put your mind to!! We love you and will always be here for you!
